LETTER TO EXAMINER

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to filing of the above-identified application on August 6, 2003, the undersigned received a date-stamped postcard from the U.S. PTO that indicated the application number for this case as 10/635,019. Thereafter, on October 21, 2003, the undersigned filed a Supplemental Preliminary Amendment, Information Disclosure Statement (IDS), PTO Form 1449 and cited documents under a heading with "U.S. Application No. 10/635,019".

From receipt of subsequent papers from the PTO (Official Filing Receipt, Notice to File Missing Parts, etc.) the undersigned since has learned that the original postcard application number information was incorrect and that the correct application number for this case is as shown in the above caption, namely, 10/635,004. Therefore, the undersigned's prior Supplemental Preliminary Amendment and IDS both referenced an incorrect application number.

For this reason, a copy of each of the papers filed with the incorrect application number also is enclosed with this filing. The incorrect application number has been highlighted, and the correct number has been noted in red ink.

The Examiner is hereby requested to enter and consider the Supplemental Preliminary Amendment-and-IDS papers. Also, request respectfully is made to withdraw the papers from the PTO file for U.S. Patent Application No. 10/635,019.

Respectfully submitted,
